**for the webinar**

Webinar for members of EIPG  
in conjunction with PIER and University College Cork

## Overview

The webinar will focus on the expected upcoming revision of the GDP Guidelines of the European Union. The webinar will outline what we know so far about the revision, the expected timelines for a revision and go through expected key topics that will set the course for some of the more comprehensive changes expected, such as digitalisation and the use of AI in GDP compliance.

## Learning Outcomes

At the end of this webinar you will be able to:

- Have an overview of the expected timeline for the review of the GDP Guidelines
- Understand the process under which the revision of the GDP Guidelines will take place.
